

Event Badge Holder

by Jeanne L. Perrine

The Event Badge Holder has a great pencil pocket, cell phone pocket and two small slip-in pockets on the inside.

Finished size 4 $\frac{3}{4}$ " wide x 6 $\frac{1}{2}$ " high x $\frac{1}{2}$ " deep.

It is easiest to use a rotary cutting system for all the cutting in this pattern. The cleanest cuts are important to the end result.

When fusing any materials together always use a dry iron first then spritz it with water and iron again.

A size 80 Sharp sewing machine needle is used in this pattern.
